Here's what we've got so far, Alisha. We are briefing our RA tomorrow on this since he'll be out most of next week. It would be great to get your and Stephanie's input on this before tomorrow at 5:00 your time if at all possible just so the RA could have a sense of what we're proposing on the national scale.

Let us know if you have questions or need more info..

We are working on FAQs and website updates plus the internal Qs and As.

Thanks! Big changes back there! Hard to keep up.
